

Top3Hotels.

The best hotel in every city, picked in 1 second. One Budget, one Best Value and one Luxury hotel per destination, with sourced scores and reference prices.

1,295

destinations, three hotels each

3,885

picks — Budget, Best Value, Luxury —
chosen by public rules

121

countries

7

languages: EN · ES · DE · FR · IT · PT · DA

The product

- 1,295 destination pages in 7 languages, each with three hotels, map, walking times to sights and guest feedback.
- Country pages, themed lists (beach, pool, pets, family, spa, budget, luxury) and event guides.
- Route pages for direct flights from Billund, Aalborg and Aarhus.

Why travellers trust it

- Rule-based, public methodology. No paid rankings.
- Every number shows its source and the date it was checked.
- Fast and accessible: Lighthouse 100 for accessibility, best practices and SEO.

Partnership formats

- Top 3 badge for selected hotels (free); certificate on request.
- Destination, airport and airline route guides.
- Co-branded city and event content, newsletters, social.
